**COUNT I**  
**VIOLATIONS OF THE ADA AND ADAAG**

17. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

18. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the

discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and

- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

- 19. Congress explicitly stated that the purpose of the ADA was to:
  - (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
  - (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

\* \* \* \* \*

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

20. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

21. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

22. The Subway is a public accommodation and service establishment.
23. The Property is a public accommodation and service establishment.
24. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.
25. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

28. Plaintiff has attempted to, and has to the extent possible, accessed the Subway and the Property in his capacity as a customer of the Subway and Property and as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Subway and Property that preclude and/or limit his access to the Subway and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.
29. Plaintiff intends to visit the Subway and Property again in the very near future as a customer in order to utilize all of the goods, services, facilities, privileges,

advantages and/or accommodations commonly offered at the Subway and Property and as an independent advocate for the disabled, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Subway and Property that preclude and/or limit his access to the Subway and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

30. Defendant has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Subway and Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

31. Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the Subway and Property, including those specifically set forth herein, and make the Subway and Property accessible to and usable by Plaintiff and other persons with disabilities.

32. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Subway and Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Subway and Property include, but are not limited to:

**(a) ACCESSIBLE ELEMENTS:**

- (i) Near Unit 102, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of section 502.4 of the 2010 ADAAG standards. This violation made it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (ii) Near Unit 102, the accessible parking space is not level due to the presence of accessible ramp side flares in the accessible parking space in violation of section 502.4 of the 2010 ADAAG standards. This violation made it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (iii) Near Unit 102, the accessible parking spaces have a slope in excess of 1:48 in violation of section 502.4 of the 2010 ADAAG standards and are not level. This violation made it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (iv) Near Unit 102, the accessible parking spaces are not adequately marked and are in violation of section 502.1 of the 2010 ADAAG standards. This violation made it difficult for Plaintiff to locate an accessible parking space.
- (v) There are changes in level at Property exceeding ½ (one-half) inch that are not properly ramped in violation of section 303.4 of the 2010 ADAAG standards. Specifically, there is an approximately 3 (three) inch vertical rise at the entrance to Unit 102, thus rendering the interior of the Property inaccessible.

This violation made it dangerous and difficult for Plaintiff to access the units of the Property.

(vi) At Unit 102, the doorway of the accessible entrance is not level in violation of section 404.2.4.4 of the 2010 ADAAG standards. This violation made it difficult for Plaintiff to access the units of the Property.

(vii) At Unit 102, due to the accessible barrier present at the accessible entrance, the accessible entrance of the Property lacks at least one accessible route provided within the site to the public streets and sidewalks in violation of section 206.2.1 of the 2010 ADAAG standards.

(viii) The Property lacks signage identified by the International Symbol of Accessibility that indicates the location of the nearest entrance complying with section 404 of the 2010 ADAAG standards, if such an entrance exists. This policy decision by Defendant(s) violates section 216.6 of the 2010 ADAAG Standards. This violation made it difficult for Plaintiff to find an accessible entrance.

(ix) At the door to Unit 102, there is a sign containing the International Symbol of Accessibility, however, there is no directional information as to the location of an accessible entrance. Moreover, it simply says, "Need special assistance? Just Ask, We'll Help!" Yet there is no access route inside and no mechanism for a disabled patron to contact the operator of the Unit.

- (x) The Property lacks an access route from site arrival points such as the public streets and sidewalks to the accessible entrances in violation of section 206.2.1 of the 2010 ADAAG standards.
- (xi) There is not at least one accessible entrance to each tenant space in the building that complies with section 404 of the 2010 ADAAG standards which is a violation of section 206.4.5 of the 2010 ADAAG Standards.
- (xii) Defendants fail to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

#### **SUBWAY RESTROOMS**

- (i) The restroom lacks signage in compliance with sections 216.8 and 703 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to locate accessible restroom facilities.
- (ii) The height of coat hook located in accessible restroom stall is above 48 (forty-eight) inches from the finished floor in violation of section 308.2.1 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.
- (iii) The soap dispenser in the restroom is located outside the prescribed vertical reach ranges set forth in section 308.2.1 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom

33. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Subway and

Property.

34. Plaintiff requires an inspection of Subway and Property in order to determine all of the discriminatory conditions present at the Subway and Property in violation of the ADA.

35. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

36. All of the violations alleged herein are readily achievable to modify to bring the Subway and Property into compliance with the ADA.

37. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Subway and Property is readily achievable because the nature and cost of the modifications are relatively low.

38. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Subway and Property is readily achievable because Defendant has the financial resources to make the necessary modifications.

39. Upon information and good faith belief, the Subway and Property have been altered since 2010.

40. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

41. Plaintiff is without adequate remedy at law, is suffering irreparable harm,

and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Subway and Property, including those alleged herein.

42. Plaintiff's requested relief serves the public interest.

43. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant.

44. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant pursuant to 42 U.S.C. §§ 12188 and 12205.

45. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Subway and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Subway in violation of the ADA and ADAAG;
- (b) That the Court find Alamo Wurzbach in violation of the ADA and ADAAG;
- (c) That the Court issue a permanent injunction enjoining Defendant from continuing its discriminatory practices;
- (d) That the Court issue an Order requiring Defendant to (i) remove the physical barriers to access and (ii) alter the subject Subway to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (e) That the Court award Plaintiff his reasonable attorneys' fees, litigation

expenses and costs; and

- (f) That the Court grant such further relief as deemed just and equitable in light of the circumstances.

Dated: December 4, 2019.

Respectfully submitted,
